Technical Documents

Issues with an asterisk (*) have a technical document available on Team Support and in the online help.

Federal/State Regulation

Exports

APTAFUND-4166

ACA Export: The ACA export file has been updated to accommodate the latest IRS requirements for the 2025 reporting year. This update includes changes to both 1095-B and 1095-C export capabilities, ensuring compliance with the most recent ACA reporting standards.

Payroll

AFD-688

2026 Tax Tables: The Symmetry STE2025.12.3 December 30 release has been implemented. This update ensures that the system remains compliant with the latest federal and state tax regulations for the upcoming year.

Reports

APTAFUND-4167

ACA Forms: The 2025 1094/1095-C Forms have been updated to comply with the latest Affordable Care Act (ACA) reporting requirements. These forms allow employers to report information about health coverage offers and enrollment for their employees, with changes implemented in both AptaFund 5.0 and the Harris_ACA database.

Improvement

Accounts Payable

APTAFUND-4124

Default AP Account Code Functionality: An Improvement has been implemented to address the issue of removing default A/P Account Codes on vendor profiles. Users will now be able to delete or remove account codes that were previously set, allowing for greater flexibility in vendor management.

Reports

APTAFUND-4291

NH Monthly Wage and Contribution Report: The NH Monthly Employee Wage and Contribution Report has been improved to include data based on pay dates rather than payroll periods. This update ensures that all relevant payroll registers will be included in the report for the selected month, even if the payroll period spans across two months.

APTAFUND-4238

PA PDE-339 and PDE-2105: The PDE-339 and PDE-2105 Report in AptaFund will be enhanced with the addition of two new columns: Gross Wages and Retirement Wages. This update provides more comprehensive wage information for users.

Vendor Management

APTAFUND-4275

AP Vendor Address Type: The Vendor Address Type functionality had been updated to no longer default to both Primary and Payment options simultaneously. A Pop-up will now allow this selection at the time of entry. This change aims to streamline the process of adding new vendor addresses, although it will allow users to select both options if needed.
